MEIKLEOUR ARMS

Drinks List

Established in 1820 as a coaching inn, Meikleour Arms is owned and run by Meikleour Estate. We are a rural family business with Franco-Scottish heritage. We farm, manage forests to produce renewable energy, offer salmon fishing on the renowned River Tay and, most importantly, we are proud to share this magical part of the Perthshire countryside with locals and guests from far and wide.

With an owner from Bordeaux, our wine list anchored in France. While we even have our own claret, we source from producers across the world where the quality of their winemaking and terroir shine through. Scottish wines remain as elusive as Nessie, but mercifully we are blessed with beer, whisky and gin.

Most of our draft beers are made in Perthshire by craft brewers, using home grown barley. Both Inveralmond and Abernyte Breweries are only 12 miles away. Our Glasgow brews might not be considered craft, but they are arguably the quintessential Scottish pints.

Malt whisky is from the breadth of the country, showcasing not only the best each region has to offer, but also the depth of variety and complexity achieved by neighbouring distilleries. The three Perthshire distilleries are all under 30 miles away.

Scotland has been at the heart of the boom in artisanal gin distilling, focusing on local junipers and small batches with undiluted botanicals. We have examples from across the country, including Perthshire's own just 13 miles away.

If that hasn't tickled your fancy, we have cocktails, shots, on the rocks, etc…
